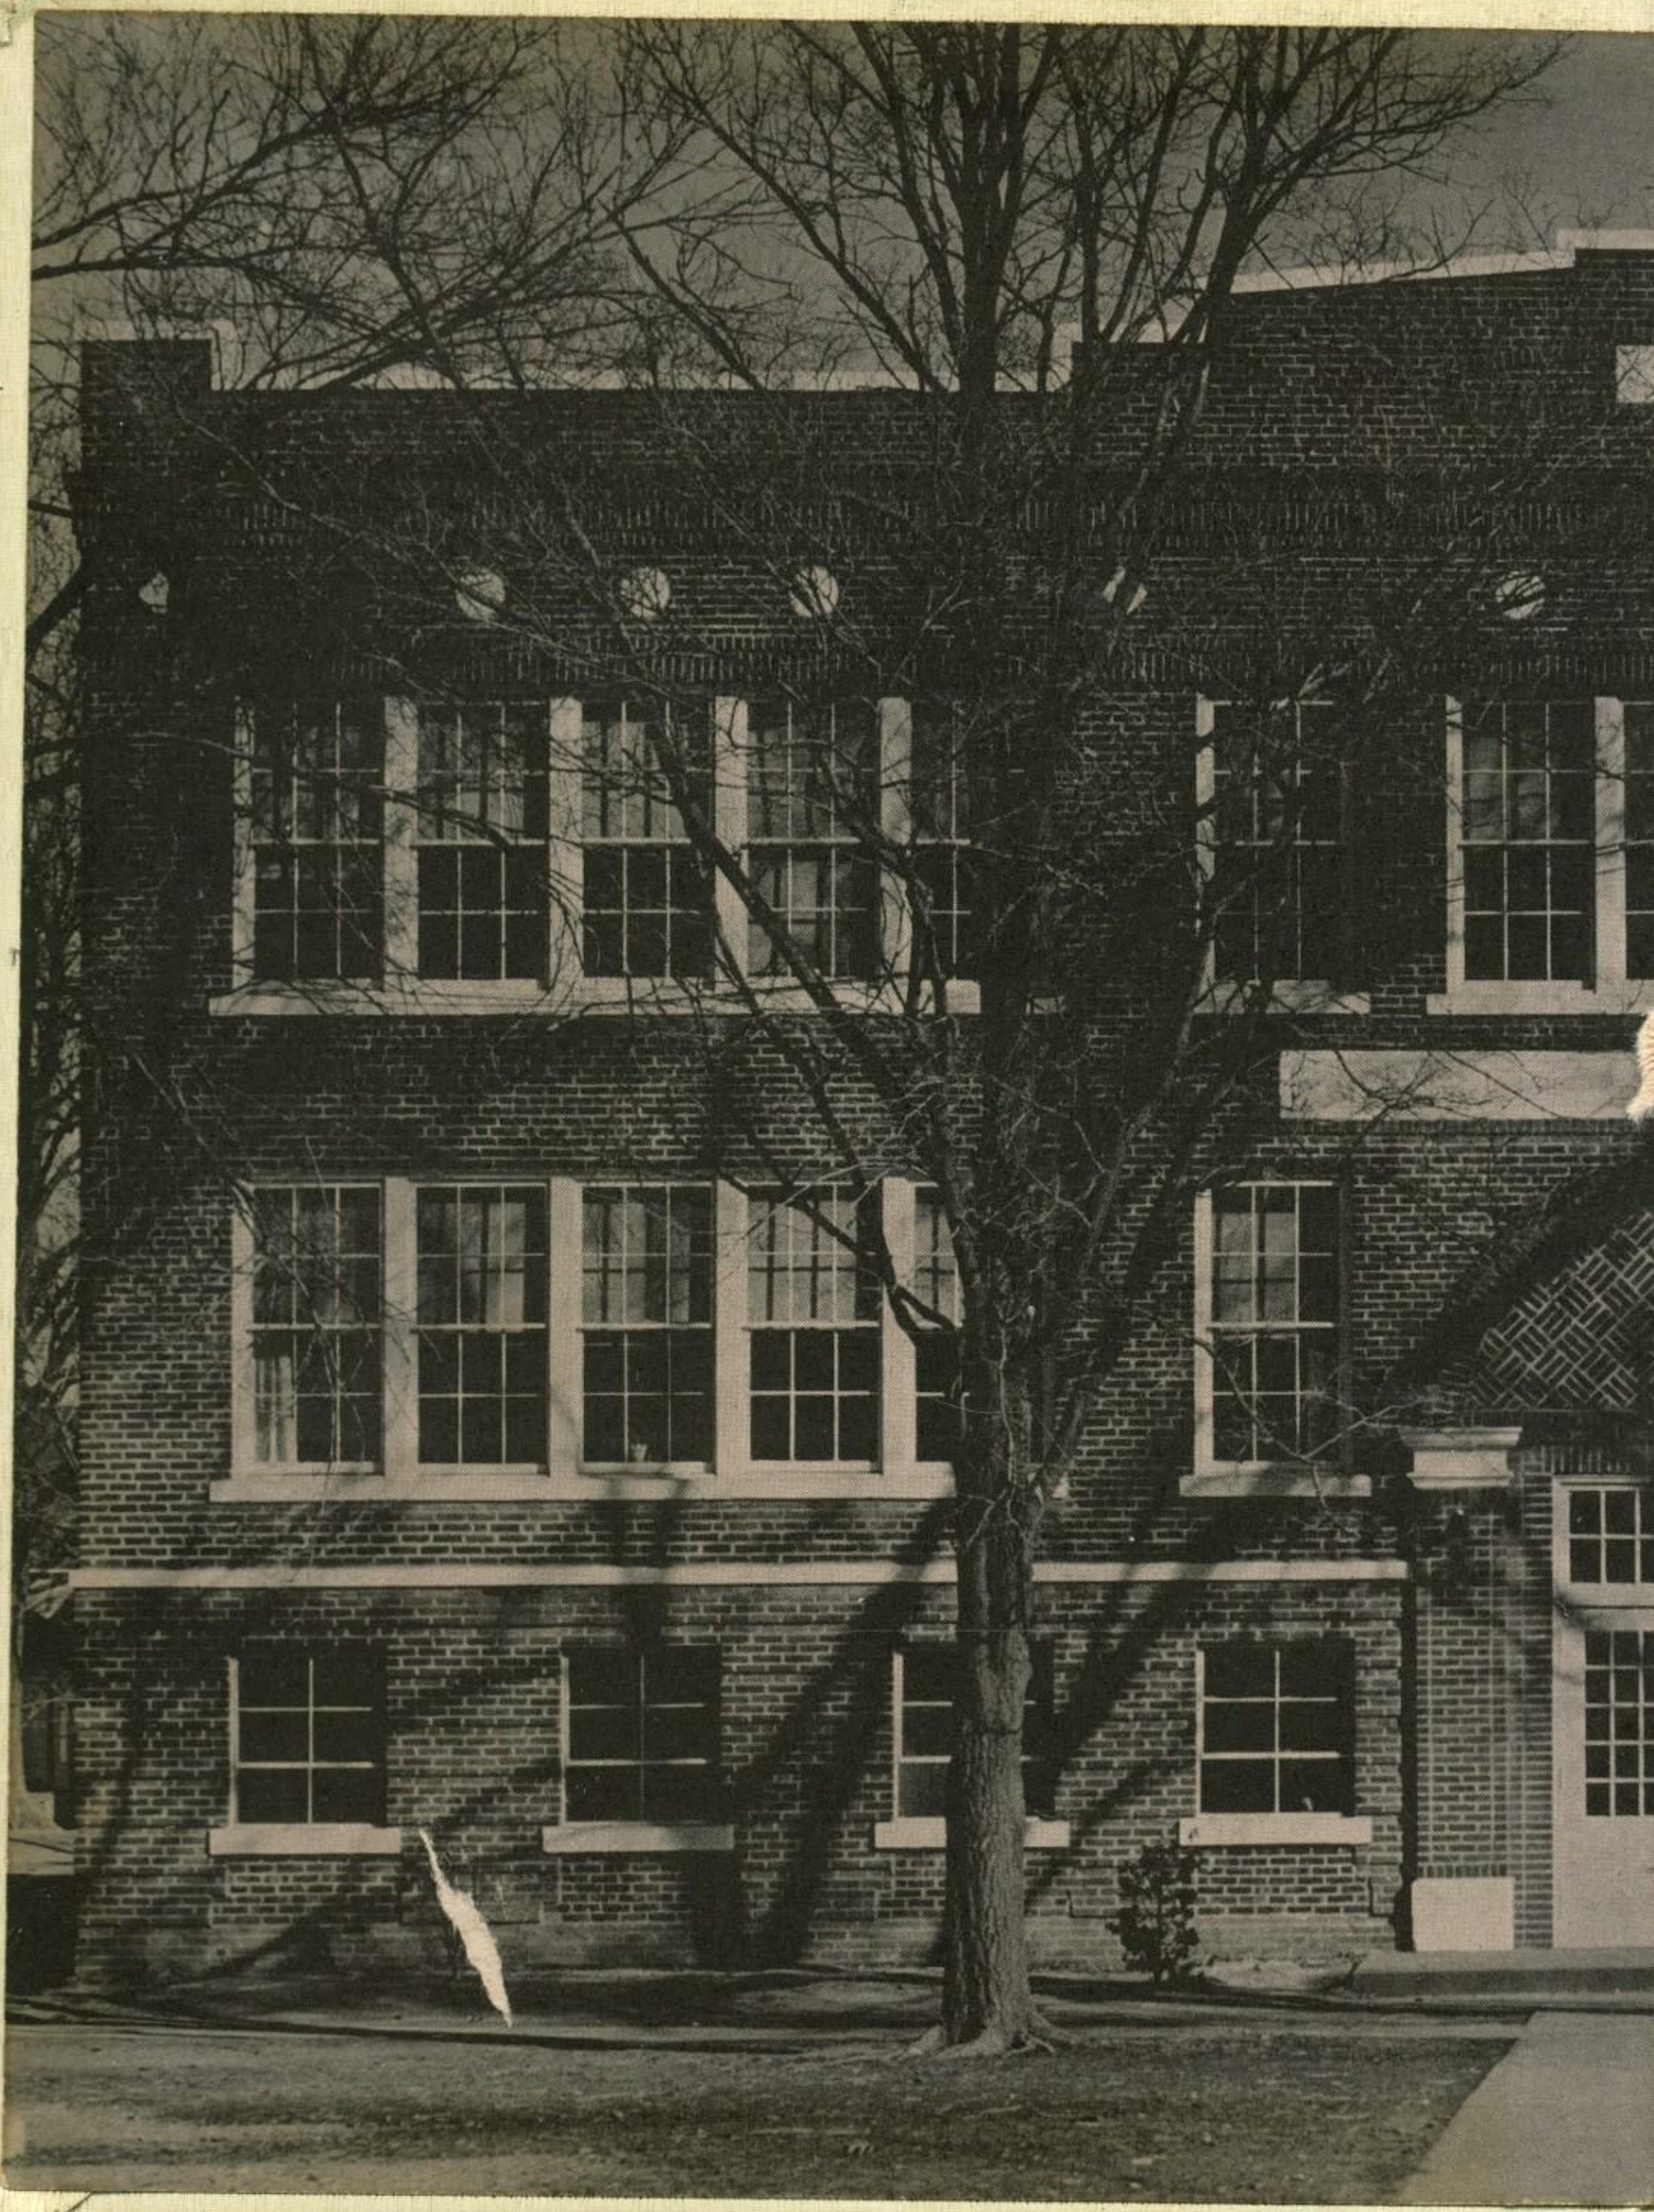
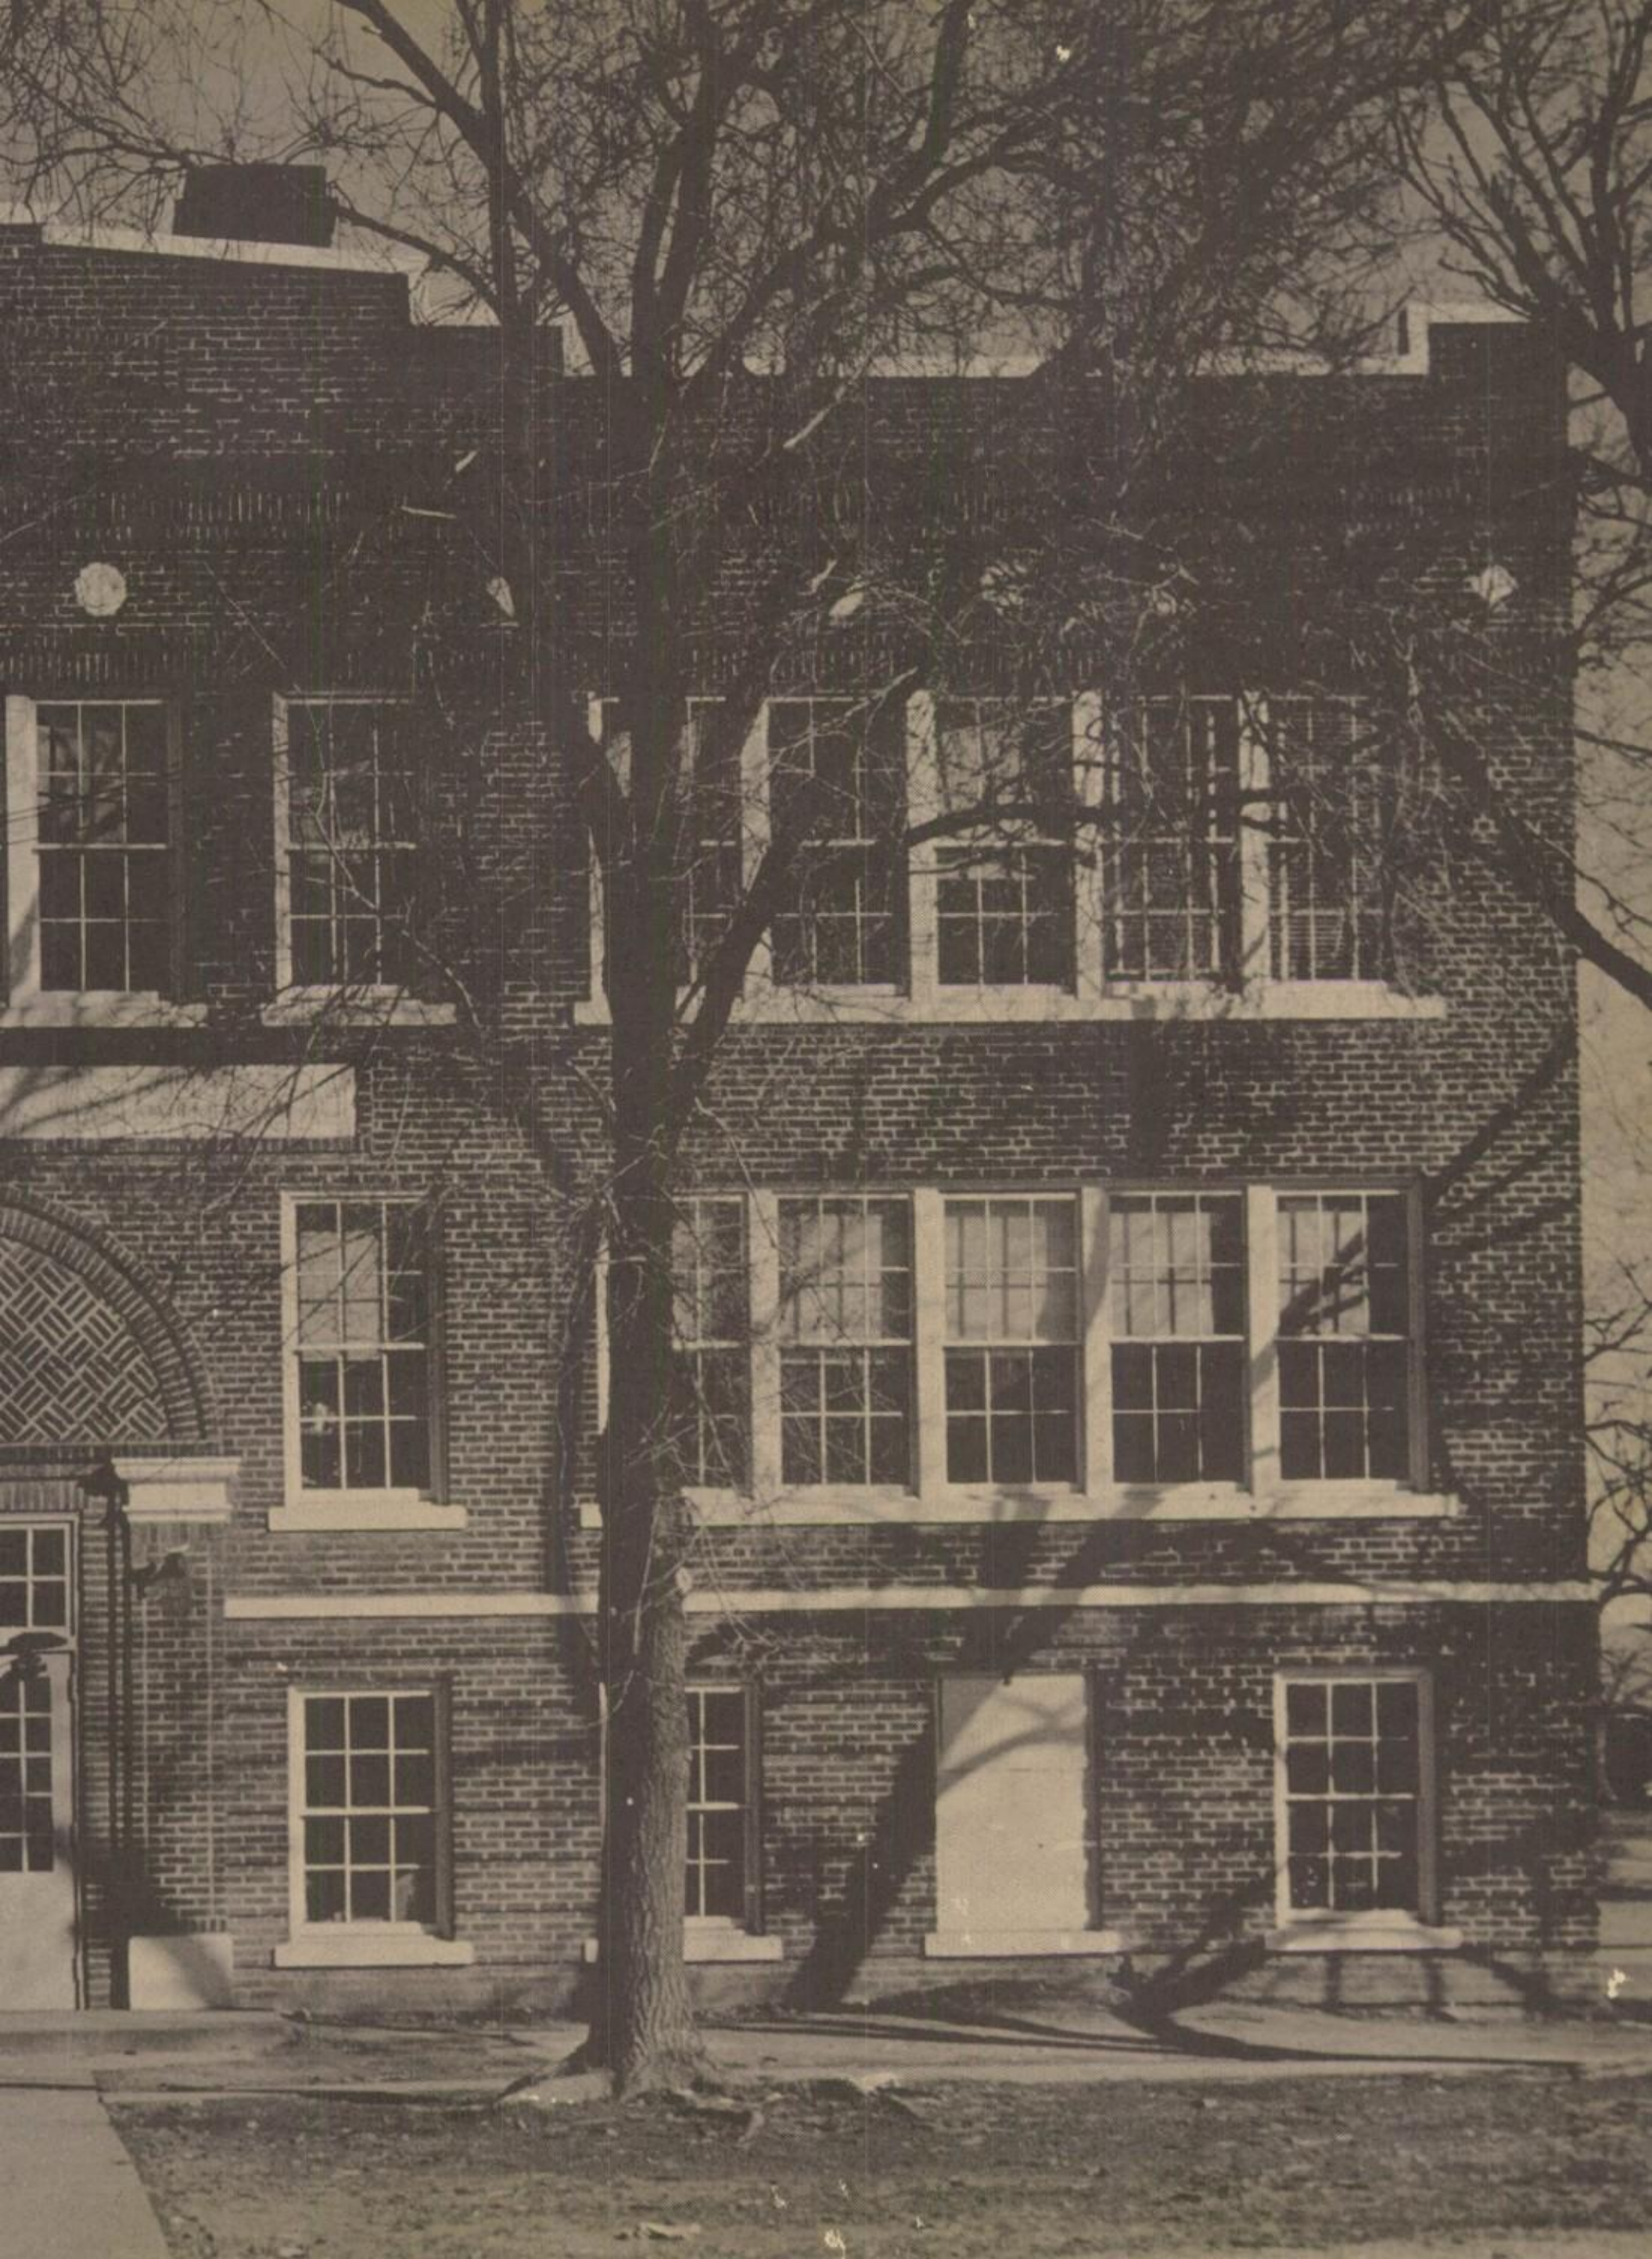
BULLDOG





1957

This is your copy of the 1957 Bulldog. Good yearbooks have become a habit here at Steele High School, and we of the Bulldog Staff have realized that we are obligated to present another good one to you. It is a fine tradition, and we hope that the only true judges of our success, you, the student body, will find that this book is worthy to follow in it.

Here is your record of the never-to-be-forgotten events of one school year. Memories of good times that we like to treasure and bad times that seem funny now. All of these we have tried to present to you in this 1957 Bulldog. If it represents you, the students, then our job is complete.

DEDICATION

To you, Mom and Dad, we lovingly dedicate our 1957 Bulldog. You have watched over us since our baby days. Your sacrifices have made possible our education. You have given us love and security all of our lives. When our dreams come tumbling down, you are always around to help us pick up the pieces and start all over again. We love you very much.

Rock! Rock! Rock!

AROUND–THE–CLOCK!

Rock 'n' roll 'til the break of day

Here's a real hot rod to help you play.

This real gone cat is at his post--

At work or play--man! he's the MOST!

He'll save you time and money, too!

He'll do your work, and when he's through,

He'll play your music....sweet or hot.

His name is REDDY KILOWATT!

Yes, folks, Your Electric Servant, Reddy Kilowatt, has a hand in almost everything you do today. At work or play, you'll find him on the job..around-the-clock, around-the-calendar.

He does so many jobs around the house, the whole family has more leisure time. Then he adds to your enjoyment with the wonderful entertainment of radio, TV, recorded music and movies.

Best of all, Reddy's wages are the lowest item in the family budget!
